Excellence

On the 20th October 2011, 10 of the best chefs in the UK will be cooking the meal of a lifetime... for you. We want this experience to seriously connect with you on an emotional level; like the charged air before the storm, the passion of loves first sensual deep kiss, or the miracle first cries of a new born. We want this experience to go beyond special, as you immerse yourself within a six hour epiphany of unrivalled gastronomic excellence.

The 10 course tasting menu delivered by 10 of the country's best chefs is to support our world class annual training programme for professional chefs in the UK. Our vision is to connect grass roots culinary education with the very best cooking standards in the world. If we succeed, you'll feel it.

For Tickets, please book online at www.visionarydining.com or contact the Lakes Hotel School at Kendal College on **Tel: 01539 814700**
